

HOW TO DRAW PATCH

Print out these pages. Have fun and get creative! Make up your own Patch and share him at: PeanutPatchBoiledPeanuts.com - Taste Adventure Gallery

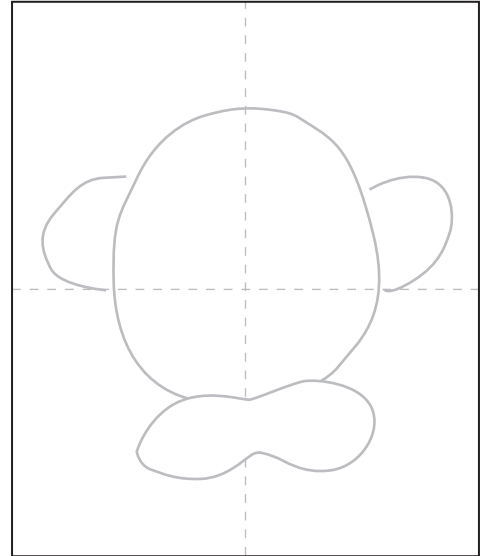

Kids - please make sure you have your parents' permission to download anything from our website or to post to our social media pages. - Patch

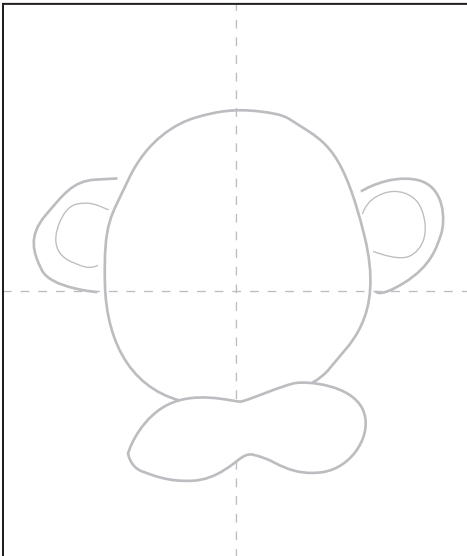

1. Using a pencil, start with a big circle for Patch's head

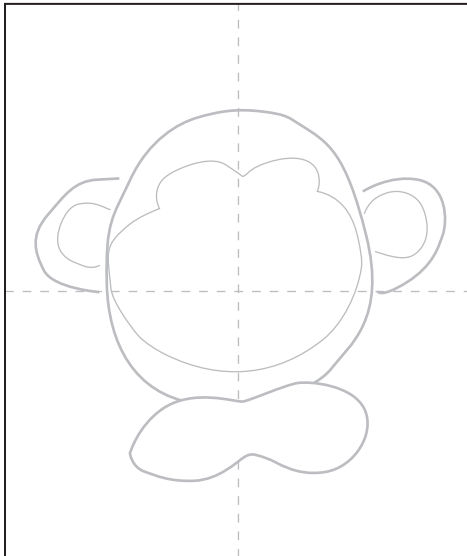

2. Add his peanut bow-tie, erase where the head overlaps

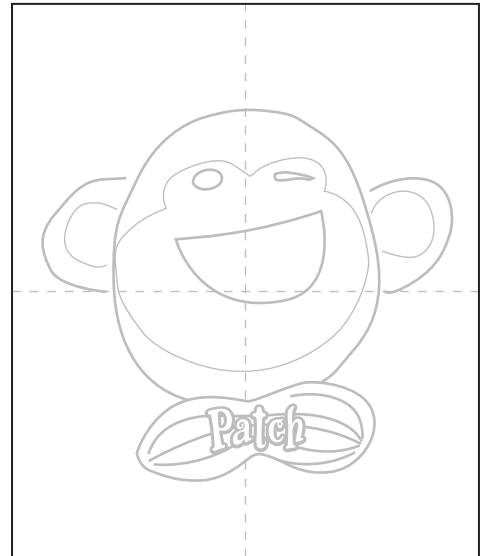

3. Draw the outside of Patch's ears

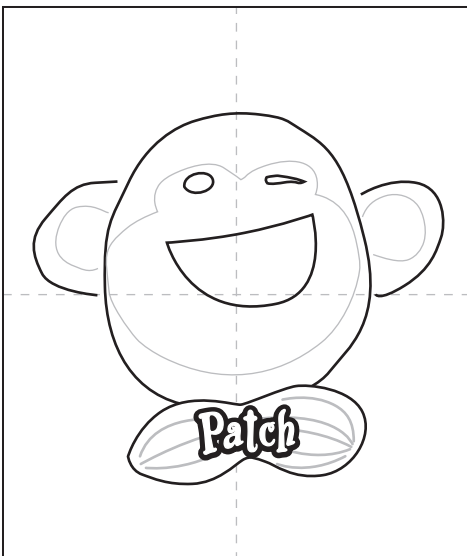

4. Lightly draw the inside of Patch's ears

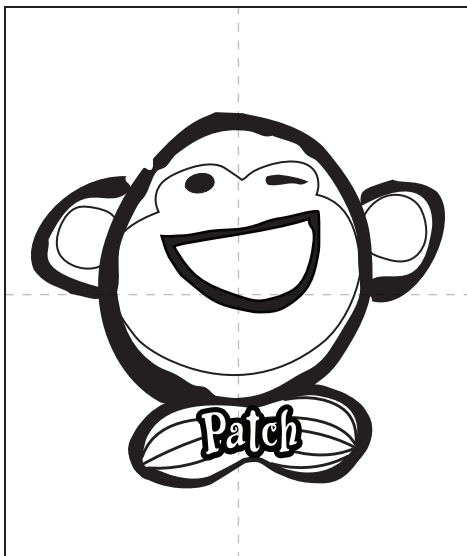

5. Draw in the light part of Patch's face

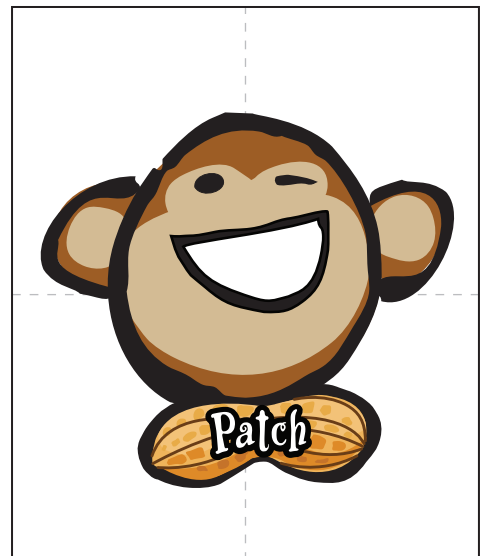

6. Add some eyes, a big smile and his name

7. Start to trace over your pencil with markers

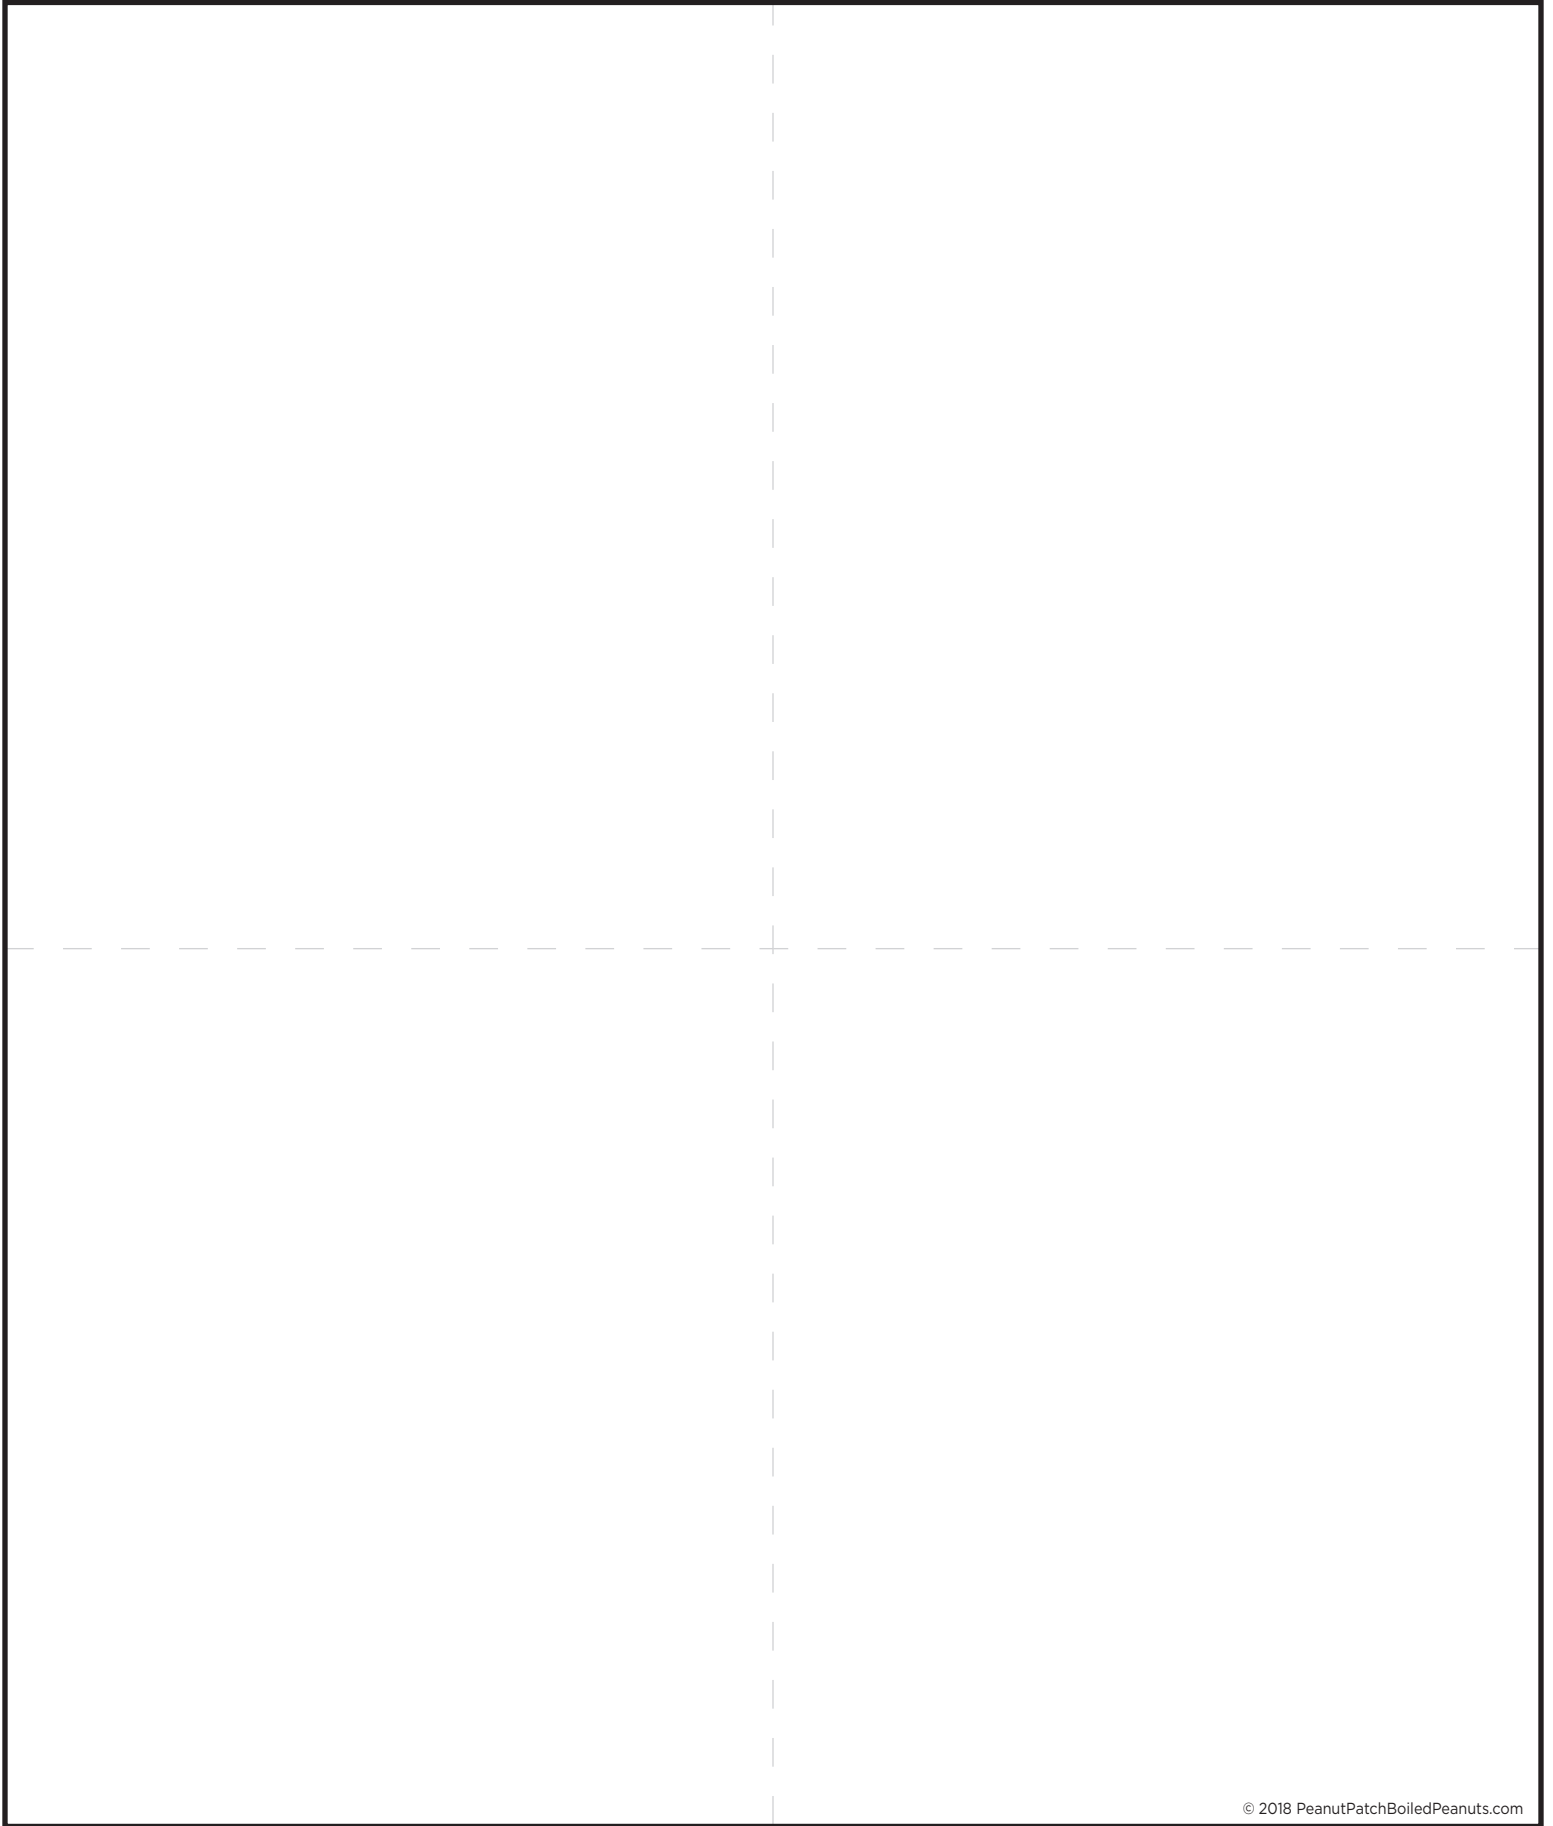

8. Use thick markers to finish, erase any pencil marks

9. Color your Patch with crayons, markers or paint
